New Year New Beat

Looking for a little something to spice up the new year? How about a new Bridge Beat!!

Sorry about the delay, this format was a bit of a hurdle to get started.

We hope to provide a variety of new and interesting articles in future issues, however this contains mostly results of the Treadwell Sectional.

Bridge Studio Aces

Some Bridge Studio regulars have captured a ACBL-wide Masterpoint titles for 2007.

We will spotlight each of them in upcoming bridge beats once the races are finalized for 2007, but with the preliminary numbers that are in, we fully expect that:

Aster Wu will capture the Sectional Master Ace of Clubs race earning 200.08 MP at clubs last year.

Alan Horowitz will win the Regional Master Ace of clubs competition with 244.64 club

points.

Randy Berseth absolutely destroyed the Silver Live master Ace of clubs field with his 395.77 club MPs

Ken Cohen will double up having just won the award in 2006, but this year will not break (his own) ACBL record.

In addition **Rick Rowland** has won the Mini-McKenney (most total points—clubs, tournaments, whatever) award for Gold Life Masters—winning over 1144 points.

Congratulations!

Super Sundae coming soon!

The first annual Super Sundae at the Bridge Studio is only a few weeks away.

Alexis is working on the perfect soups and Sundae toppings to serve. Her happiness is

directly tied to the number of people who pre-register so please do so as soon as you can. Call, email, or sign up in person at the Bridge Studio.

Yes, we will also play

bridge—two abbreviated separate sessions that should prove to be a masterpoint extravaganza. \$18 for the whole day, first game starts at 11. See you there!
